BUNSCOILL GHAELGAGH

**MORE
THAN JUST A SCHOOL**

YN ASHLISH AIN OUR VISION

The Bunscoill experience is magical, creative and unique, allowing all students to flourish in a caring and supportive environment.

We see ourselves as more than just a school and instead a community that works together to ensure that our children become healthy, happy, kind adults.

My son received a high class education in a bilingual setting which has given him a real confidence and understanding of language. He is very proud to have attended this school.

BENEFITS OF BILINGUALISM

Give your child all the benefits of bilingualism in a small caring school that nurtures children's individual needs.

Bilingualism improves literacy skills and enhances verbal intelligence and social skills.

Students perform better on tasks which require multi-tasking.

It is evidenced that bilingual students have a stronger working memory and more focused attention span.
