Smart watches and Jewellery

The only jewellery permitted at school are small sleepers or stud earrings. Please make sure that your children are not wearing any other jewellery. In particular smart watches are not permitted. Some features that smart watches have are in contravention to our school's consent system. It would also be helpful if the children didn't bring toys or stickers into school as these are causing some issues in the playground.

Mames in clothes

Another reminder please to make sure you have put your child/ren's names in all their clothes at school. We have lots of unnamed items in lost property at the moment so please do check you aren't missing something in there.

Bnr Thistle

Sadly, we'll be saying goodbye to Bnr Thistle at the end of this term as she moves on from Bunscoill Ghaelgagh to take up an exciting new role as Deputy Head at Skimmee Ghaelgagh. Through her teaching she has inspired curiosity and her science lessons have made a lasting impact on many young scientists in the making! She will be greatly missed by staff and pupils alike. Whilst we're sad to see her go, we're absolutely delighted for her as she takes on this well-deserved promotion. We wish her every success and look forward to working closely with her and the Skimmee Ghalegagh Team in her new role.

From the start of next term, we're pleased to let you know that Bnr Matthews will be working in Brastyl Bradda every Monday.

T Names in clothes

Another reminder please to make sure you have put your child/ren's names in all their clothes at school. We have lots of unnamed items in lost property at the moment so please do check you aren't missing something in there.

School Photo emails

Please see the following message from the School Photos Photographer if you have a manx.net email account:

If you have School & nursery photo access codes registered to your manx.net email account and you are NOT planning to renew, then please note that that I can ONLY change your email address on the GotPhoto system to your new address when the email request to me originates from your old Manx.net email Address - this needs to be done before you lose your old Manx net account

Any request to change your email address will be rejected if it is not made using the original manx.net address - this means you will lose all of your previous access codes. I believe this is due to happen at the end of December? This year To change your new email address, please email your request to steve@stevewoodley.com
